

AC-200 HAND SANITISER

70% Alcohol-based Hand Sanitiser

AC-200 is an alcohol-based sanitizer used to sanitise hands. Kills 99.9% germs.

PRODUCT INFORMATION

AC-200 is ideal for sanitising hands in domestic and commercial environments. Kills 99.9% of germs and bacteria from skin. Non sanitisation can lead to the spread of germs, bacteria and viruses. AC-200 is a 70% alcohol-based formula, which is safe to use in most environments.

DIRECTIONS FOR USE

Mist spray AC-200 twice onto the inside of hands and massage onto the inside and outside of hands. Ensure all of hands are covered to ensure a proper sanitisation of hands. NOTE: Hands should be washed with soap and water before using this product if hands are visibly soiled.
