

## AC-35 MAG WHEEL CLEANER

High Quality Specially Developed Acid Free Magnesium, Alloy, and Chrome Wheel Cleaner  
 Free From Hydrofluoric Acid or Sodium Bifluoride

### PRODUCT INFORMATION

AC-35 is a High Quality Specially Formulated Acid Free Wheel Cleaner. Designed to Effectively Remove Brake Dust, Grease, Road Grime, Oil and Dirt from Magnesium, Alloy, Chrome or Clear-Coated or Anodized Wheels.  
 AC-35 Acid Free Formula Will Not Harm Alloy Finishes, Paint or Specialised Coatings.

### DIRECTIONS FOR USE

1. Spray, or Paint AC-35 onto Wheels
2. Allow to Penetrate into Grime
3. Scrub with Wheel Brush if Heavily Coated in Grime
4. Rinse Thoroughly
5. Finish with AC-33 Tyre Shine for a Full Wheel Service
