

## AC-70 BITUMEN & TAR REMOVER

AC-70 Offers the Ultimate Heavy Duty Active Formula Available for the Removal of Bitumen, Heavy Oils and Grease

### PRODUCT INFORMATION

C-70 was Developed in Conjunction with Bitumen Suppliers and Contractors, the Toughest Testing Ground for Grease and Tar Removal.

The Aggressive and Highly Effective Performance of AC-70 is Achieved Through the Carefully Formulated Blend of Surfactants, Solvents, Wetter's, and Proprietary Ingredients. AC-70 is Perfect for Civil Contractors, Transport, Bus, Mining, Oil & Gas, and Other Heavy Industries. AC-70 Remains Effective in both High and Low Temperature Environments, Emulsifies well, and is Quick Breaking.

### DIRECTIONS

1. Wet Area for Cleaning with Water
2. Cover Surface with AC-70 By Spraying, Mopping or Sponging
3. Allow time for Penetration, Scrub, Hose off Surface with Water Jet

**Note:** AC-70 can be detrimental to paint finishes in a situation where there is old or damaged paintwork.
