

AC-101 – PORTA FLUSH

Scented Flush Water Additive

AC-101 is a high quality, specially developed toilet flush system cleaner and deodoriser.

PRODUCT INFORMATION

AC-101 is a unique fruital scented toilet flush fluid for daily use. AC-101 keeps the flush water fresh and ensures that your toilet flushes effectively after use, AC-101 leaves a protective layer in the toilet bowl that ensures it remains clean and fragranced long after each flush.

An RV's toilet is located over, and empties directly into, the Black Water Holding Tank. The three most common Black Water Holding Tank problems are deodorizing, cleaning and breakdown of solid waste. AC-101 assists to eliminate the problems leaving your toilet clean and fresh.

- Forms a protective layer to block build-up and bacteria
- Highly effective for a smoother flush
- Improved formula keeps flush water clean
- Use safely on plastic and ceramic toilet bowls
- Smells fresh long after flushing

Dosage: Add AC-101 to flush water tank at a dose of 100ml per 15L flush water.

Diluted AC-101 will last on average of 4 weeks. As AC-101 does end up in the waste holding tank empty tank only at designated suitable locations at camping sites and rinse thoroughly with clean water.

Disposal: Suitable when emptying waste holding tank into septic tanks.
