

AC-110 CARAVAN & TRAILER WASH

Non caustic, heavy duty wash. Biodegradable and streak free

AC-110 is specifically designed for use on RV's, Caravans and Trailer applications due to its exceptional cleaning performance.

PRODUCT INFORMATION

AC-110 Caravan & Trailer wash is a unique water based high performance, non-caustic wash. This product effectively removes road grime, dried on bugs and dirt from all surfaces including plastic, rubber, chrome, aluminium, fiberglass and paintwork.

AC-110 Caravan and Trailer wash is bio-degradable and free rinsing. It is suitable for gurney's and automated washing systems.

This product was specifically developed not to streak and is suitable for use on caravans, RV's trailers and vehicles. It is safe to use on and around all fabrics found in the transport and marine environments.

AC-110 is ideal for use on caravans, RV's, trailers, cars, boats and coaches.

This product contains corrosion inhibitors to protect the surface from rusting and does not contain caustic chemicals. It leaves paintwork shiny and streak free when used as directed. This product is economical to use and can be used across a broad range of dilutions to control performance and cost.

- Multi-purpose - works on RV's, trucks, cars, & boats.
- Safe for gel-coat, fiberglass, painted aluminium.
- Won't harm or fade decals, leaves a protective shine
- Easy to use.
- Designed for the environment, Non-toxic, Non-flammable, Biodegradable
