

AC-34 ENGINE BAY DETAILER

Unique formulation designed to clean and maintain your vehicles engine bay

AC-34 is a high quality detailer, designed to safely clean and protect your vehicles engine bay.

PRODUCT INFORMATION

AC-34 Engine bay detailer is designed to work as a quick and effective engine bay detailer. Providing the ultimate in showroom shine, in one easy step.

AC-34 Engine bay detailer keeps everything under the bonnet looking like new. The dressing safely restores and protects engine bay materials for a like new appearance. It provides long-lasting protection in a non-greasy skin safe solvent free dressing.

AC-34 Engine bay detailer perfectly cleans motorbikes, bikes, boats, cars and trucks. AC-34 is ideal for use in showrooms, to keep vehicles looking new without the hassle of degreasing and washing.

- Simple to use
- Quick - Spray surface and wipe away dust, dirt and grime.

APPLICATION

1. Shake bottle well
2. Best Application is achieved by utilising a spray bottle for application. (1L Pump Spray)
3. Start Cleaning from the top of the top of the engine bay down.
4. Apply AC-34 directly to area, wipe excess product off using a towel (Ensure engine bay is cool).

AC-34 Engine Bay Detailer is designed to clean and maintain your vehicles engine bay. If the engine is extremely dirty (covered with mud and salt, heavy grease and grime). Pre-degrease and rinse your engine bay with a suitable high pressure hose before attempting to use detailer. This application may require the use of up to 2 - 5 towels, depending on how dirty the vehicle engine bay is.
