

## AC-42 SOLVEX DEGREASER

**Blended solvents and surfactant for difficult and heavy duty Grease and grime removal**

AC-42 has been developed to offer effective degreasing and cleaning in workshops for automotive, heavy industrial and mining companies.

### PRODUCT INFORMATION

AC-42 is ideal as a general purpose water rinsable solvent degreaser for cutting through tough to remove grease and grime. The professionally formulated blend of high aromatic solvents and effective surfactant soaps makes using this product ideal across a wide range of tasks. AC-42 emulsifies well and breaks at a high rate. The benefits of AC-42 has seen its use spread to a broad range of industries including oil and gas, automotive, truck, government and industrial users. This product is ready to use and application should be by brush or spray. Allow 1 - 2 minutes for the product to penetrate and begin to lift the grease and grime. The removal with high pressure water spray gun gives excellent results. AC-42 can be detrimental to paint finishes in situations where there is old or damaged paintwork.

### TYPICAL PROPERTIES

Appearance	Green Liquid
pH (Undiluted):	Not Applicable
Specific Gravity:	0.78 - 0.8 kg/L
Odour:	Petrochemical Odour
Flammable:	Flammable
Hazardous:	Yes
DG Class:	Class 3 Flammable
Solubility:	Slightly miscible with water
Flash point:	< 60.5°C

### PRODUCT CODES / QUANTITIES

- A/AC90/5** | 5L Fluorinated Plastic Bottle (Carton of 4)
- A/AC90/20** | 20L Metal Can
- A/AC90/200** | 200L Metal Drum
- A/AC90/IBC** | 1000L IBC

\* AC-42 Solvent Degreaser is a Dangerous Goods Class 3 Flammable under the ADG Code
