

## AC-77 ENVIROKLENE DEGREASER

**Water based degreaser suited for around food preparation and general application areas**

AC-77 has been designed for cleaning around food preparation areas, general cleaning, industrial degreasing.

### PRODUCT INFORMATION

AC-77 is a broad formulation with numerous active ingredients including eucalyptus and orange oil that is highly concentrated with emulsifiers, wetting agents and surfactants for the removal of oil and dirt from stainless steel, benches, floors etc.

AC-77 contains no harsh chemicals such as petroleum solvents, kerosene, aromatics, phenols and chlorinated hydrocarbons or other chlorinated solvents, perfect for use around areas where food is prepared, food is processed or other sensitive areas.

AC-77 is bio-degradable, food grade and safe to use.

### DIRECTIONS

Dilute AC-77 to required dilution.

Spray onto surface to be cleaned.

Wipe surface with clean cloth. Rinse with clean water if required.

### Recommended Dilutions

Spray & Wipe 1:20

Oven & BBQ 1:5

Light Degreasing 1:5

Medium Degreasing 1:3

Heavy Degreasing 1:1
